

THE COOKIE JAR

COSY RETREAT

Welcome to The Cookie Jar

Opened in 2017, The Cookie Jar was formally a Convent for over 120 years. Now a boutique hotel, we have 11 unique bedrooms full of character. This includes The Chapel, which still features original stained glass windows. You'll see glimpses of the history throughout the building.

John Blackmore, our Head Chef, has an abundance of experience catering around Europe in high class Hotels and restaurants. His ethos is fresh, local and British.

Our seafood is often collected straight from the fishermen's boats in Seahouses and Eyemouth. Herbs picked fresh from our beautiful garden and we use only the finest Northumbrian meat and game.
